## Local Items

All stores will be closed on Monday next, July 2nd.

Gordon Alexander left last Friday for Kinairdine, Ont., where he will visit his parents.

Holland Canada Mortgage Co. Money to loan on improved farms at a rate of eight per cent P. C. McClean, barrister, is agent for the Oyen district.

The News received a letter a few days ago from G. M. Cadenhead, formerly on the staff of the Oyen Hardware Company. Cadenhead is now at Brooks, Alta. and wishes through the News to convey to his many friends in this district his best wishes.

For careful and up-to-date dental work see Dr. Taylor, at Alaskan. Go any day.

Meers, B. E. Kelly and J. H. Alexander sold the Brock's farm last week to H. McDonald.

R. G. Stearns left to-day for Calgary where he will attend the Business Convention of Secretaries of United Farmers of Alberta.

Mr. and Mrs. W. L. Carr of Sunnydale, leave to-morrow for Lyndellville, Vermont, where they will visit relatives.

Dr. Lackner, Dentist, will be at his Oyen office the last six days as well as the first 14 days of the month.

Pte. W. L. Samson, who has been invalided back to Canada, was a visiting in Capper district during the weekend. Pte. Samson has been through some severe fighting and as a result has lost one eye. He left yesterday for Ogden Convalescent Home where he will receive further medical treatment.

Posters are out for the 8th annual Celebration at Cered on Monday July 2nd. Great preparations are under way to make this a red letter day in Cered.

A big U. F. A. Day will be held at Sibhal on Saturday June 30th, when horse racing, auto racing and other sports will be the attraction for the day. See poster.

Mr. and Mrs. J. Howard Alexander and family left last Monday for Blythe and other points in Ontario. They expect to be away for about six weeks.

Mrs. A. Munson, who has been visiting Mr. and Mrs. G. T. Oxley of Chinook returned last week.

The following deliveries of Ford cars for the last two weeks were reported by the Peterson Motor Co.—W. DeBree, E. Frey, J. Cooper, Z. Shirey and H. D. Hoffer.

A picnic will be held at Fairacre school on July 6th. Horse-racing, foot-racing, etc. is on the programme and a good time is provided for all.

M. M. McDonald, who has been visiting in Saskatoon and other points east, returned this morning.

Mr. and Mrs. O. H. McAninch returned last Monday from Havvar, Mont., where they have been visiting their daughter. They made the trip in their new Ford. Mr. McAninch says the crops from Empress to the Border look better than they do around this district.

Miss E. M. Crockett has accepted a position on the staff of the Bank of Toronto here.

## News From Chas. L. Dunford

Since last writing, have been changed round quite a bit. Was put on draft about seven weeks ago—then taken off as I had not completed my musketry course, and about a week or ten days later was sent to a school of instruction for N. C. O's. The course closes about the latter end of June when I expect to join my unit and go to France on draft.

The work here is very strenuous and at first was really quite hard but we have got now so we can "eat up anything" that comes our way.

Well it certainly is "some life" at least it would be if the meals were better. Once in a while, lately, we have been getting some pretty punk ones, but we thrive and look healthy so I suppose we shouldn't "kick".

The weather has been perfectly glorious during the past six weeks and the country is looking beautiful. It does one good to see it after three years of the baldheaded old prairie. (Just the same I'd like to be on that old prairie right now!)

Was in London last week end and had a pleasant time with my sister. On Sunday afternoon we went out to Richmond to see a cousin of ours from S. Africa, who was wounded (by shell) some weeks ago and has since had a leg amputated. The poor chap is very brave about it and never complains. The spirits of the wounded is absolutely wonderful.

My brother George returned to Canada some weeks ago with his right arm smashed up, and he'll never have the use of it again.

Another brother, Ernest from B. C. who holds a commission in the R. F. C., has been missing since Apr. 11, and naturally we are all much concerned about him.

My youngest brother, Herbert, left about four weeks ago for British E. Africa with a motor transport outfit.

Lancelot, next younger than I and a staff captain in France, is expected home on leave soon. I hope to see him before I go over to France.

McConnell went over just about the time I came to the school here. I had a letter from him three days ago saying that he was back in a rest billet after a few days in the trenches where he had seen some of the Oyen boys and Fred Scott, who is back again with the infantry. George Langmuir was wounded on his way out of the trenches to billet, but I understand his injuries are not serious.

I very much fancy we shall still be at it as hard as ever this time next year. While things seem generally more satisfactory "over there", there is an awful lot to accomplish before we may get the lasting peace we all hope for—and will eventually get. I have no doubt!

The recent heavy rains have greatly improved crop conditions in this district, and the nice warm weather which has been our good fortune to have during the last three days will certainly make the most pessimistic farmer happy.

Mrs. R. T. Summers of Seal District, arrived last week from Walla Walla, Wash., where she has been spending the last three months.

## Protection of Crops

Crop protection means crop production. Canada loses over one hundred million dollars worth of her staple crops every year through the depredations of insect pests. A large portion of this loss could be prevented. As we cannot afford to lose the smallest portion of our grain and other food crops during the present critical period when the production of food is of supreme importance, the Dominion Dept. of Agriculture is making every effort to prevent, so far as possible, losses due to insect pests.

Crop protection must be in hand with crop production. Insect pests are not usually noticed until they have caused considerable damage. Therefore it is urged that closest watch be kept on all crops for the first appearance of any insect pests or damage. Immediately such damage is observed steps should be taken to control the outbreak in its incipient stage. If the pest or the method of control is unknown, specimens of the insect and its damage should be sent at once to the nearest of the following sources of expert assistance:

The Agricultural Colleges, the Provincial Departments of Agriculture or their local District Representatives, the officers in charge of the nearest Dominion Entomological Station, or direct to the Dominion Entomologist, Department of Agriculture, Ottawa, for examination and advice in regard to control measures will be furnished without delay. Letters and packages up to 11 ounces may be mailed to the Dominion Entomologist, "Free" but postage will be required on letters or specimens sent to the other sources of advice mentioned.

Do not delay reporting insect outbreaks or sending inquiries; delay may involve serious losses that could otherwise be prevented. Write immediately, or telegraph if the outbreak is serious. Closest farming, the securing of vigorous growth in young plants and good cultivation are the best protective measures against insect attack. Keep all crops constantly under supervision for the first appearance of any damage in order that it may be checked without delay. Increased crop production involves increased protection against pests.

## "THE KAISERS PRAYER"

Mine Got, will you be mine paid.  
any  
You don't know why I am  
Pain the German Kaiser—  
De Emperor Will-I-Yam.  
You know I whipped dem B-j-gins,  
Und Mitt bullets bled Russia  
red.  
Und I'll whip France and Italy  
Und blow up Johnny Bull.  
Now all dem other nations  
I don't give a dam,  
If you fail to mine parade,  
And whip dat Uncle Sam.  
You know I got dem schminces  
All dem same-still wall.  
But dis Kaiser get a patent now  
"Vat I dena dem all to hell."  
Now, Got, if you will do this,  
Den you'll will always love  
Und I will be Emperor of de earth  
And you be Emperor above!  
But, Got, if you refuse me dis  
Emperor night at seven  
I'll send my Zeppelins out  
Und declare war on heaven.  
I won't let ask dis from you,  
But it can be plainly seen,  
Dis when Kaiser, I make the last  
I got to subjugate.

The regular meeting of the Oyen Red Cross Society will be held at the home of Mrs. J. J. Kelly on Thursday afternoon at 3 o'clock. A schedule will be arranged at this meeting for the coming months.

## Reserve Your Rooms For Hat Stampede

The citizens of Medicine Hat are making every effort to take care of the people who attend the Stampede and Agricultural Exhibition in that city on July 10th to 13th.

Intending visitors to the Hat for those events would do well to reserve their accommodation in advance. In order to reserve rooms, notify the Stampede Sec. G. W. McCaffrey, Medicine Hat, of the date, time and mode (train or car, etc.) of your arrival and number of people in party, giving number of women and children, if any. Be sure to state for which nights you will need rooms.

Rooms reserved for visitors arriving by train will be held all an hour after arrival of train specified. Rooms reserved for visitors coming by other modes of travel will be held until 11 p.m.

## Maxwell

## The Maxwell is Built for Canadian Roads

You may have an idea that perhaps the road conditions which your car must face are more trying than in other sections of the country.

But the fact is that the Maxwell is built especially for your roads—no matter how bad they may be. Before even a single car is passed out by our shops it must stand tests that are many times more stringent than any difficulties you will encounter in your vicinity.

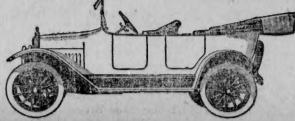

Our tests for reliability and general serviceability are much more efficient than any road test could possibly be. We know—that word is used literally—actually know what the Maxwell is going to do before it leaves our shops.

If you could see the large number of drop forgings, the splendid method of heat treating steels, and other features of construction that enter into the building of the Maxwell you would not have any fear regarding its sturdiness.

You may have hills. We know that the Maxwell will climb any hill you may have occasion to go over. You may have mud. The Maxwell is built to stand any possible strain it could be asked to stand in legitimate driving.

The Maxwell is built WITHOUT GUESSWORK—TO SUIT ALL ROADS—to suit your roads. In every part of the world it is giving perfect satisfaction.

W. LINKLATER,  
Sibbald, Alberta

Maxwell \$975 F.O.B. Calgary.

### Pie, Floyd Horn

The letter following was written by  
Pie F. Horn to his parents. Pie  
Horn, it will be remembered, was re-  
ported wounded, about three weeks  
ago.

My Dear Father and Mother,  
At last I am feeling in con-  
dition to write you a few lines,  
myself, but whether you can  
read them or not I do not know  
for the wound in my arm has  
made it temporarily stiff and  
my fingers don't work very well.

And now, dear parents, I can  
assure you that I am most  
fortunate that I am a living boy  
today.

You see I was hit the first  
time in the knee and fell into a  
shell hole and just as I fell one  
of Fritz's stick bombs exploded  
under me. It blew my equipment  
to pieces, sprinkled some  
holes in my back and tore some  
others in my hips. We had  
crossed the barbed wire, the famous  
"Hindenburg line", 25 yards  
from his front line. Here I lay  
wounded and could hardly  
move, no water, nothing to eat.

I lay there from four o'clock  
of the morning of May third  
until eight o'clock the morning  
of the fourth, 28 hours, and it  
was a very warm spot too, I tell  
you! When I got over the shock  
I decided to try to get to our  
line.

I crawled from shell hole to  
shell hole and finally sighted the  
helmets of some of my  
comrades. Oh! but these were a  
welcome sight although they  
seemed so far away. However  
there was a hell in the fighting  
and after much pain and crawling  
I eventually reached our  
front line and was picked up  
by our stretcher bearers. I was  
hurried to a dressing station,  
thence to the casualty clearing  
station and finally to this hos-  
pital.

I am getting the best of care  
and food and, as a result, am  
getting along splendidly. I have  
been operated on and some of  
the shrapnel taken out of me,  
and I didn't know a thing about  
it until it was all over.

Now, Mother and Father, dear,  
you down deep in my heart I  
feel it was our heavenly Father  
that pulled me through and is  
making me well so I am going  
to try and live as near right as  
I can for I am sure of God's help  
now.

Well there is no more news  
so must close. Do not write me  
or send parcels until I send my  
new address from England  
when I get there.

Give my best regards to all  
and my love to Maude and  
Clarence. I also want to tell you  
I shall not lose any limbs.

Heaps of love from your son  
FLOYD

## OilPull Means This

FUEL at one-half the price means  
lower operating costs, smaller upkeep  
expenses and bigger profits.

Be it in mind, the OilPull is the only tractor that will  
successfully burn kerosene and cheaper oil fuels at all  
loads, under all conditions—all the time.

The OilPull, through deep plowing and thorough soil work-  
ing, is increasing crops for a great many Diesel owners—in  
some cases doubling them. Burning kerosene, the OilPull  
adds this increase to your bank account at the lower possible  
cost.

A more dependable tractor than the OilPull can't be bought  
and you will find it able to take care of all your power jobs,  
whether draw-bar or belt. Two sizes, 15-30 and 30-60  
horsepower.

## Death of John R. Snell

It is with much regret that we have to announce the death of Mr. John Ross Snell of Sunnyside, which occurred at the Holy Cross Hospital, Calgary, on Thursday, June 21st. Although Mr. Snell was only twenty-eight years of age, he had been ill for some time suffering from a weak heart due to rheumatism and went to Calgary about four weeks ago to receive medical treatment, when he had an attack of pneumonia and for some days there was little hope for his recovery. He was a native of Minto Township, Wellington County, Ont., but had been in the West since 1909, and was one of the early pioneers of this district. He leaves his father, Mr. T. J. Snell one sister and two brothers to mourn his loss.

The funeral took place on Sunday afternoon from the home of Mr. and Mrs. F. O. Jaques where a funeral service was held by the Rev. S. D. Webster, after which the body was taken to Sunnyside cemetery for interment.

On Wednesday evening last a meeting of the Oyen Board of Trade was held when the following officers were elected: J. W. Robinson, President; Dr. J. P. Kerr, Vice-President. It was decided to call a meeting of the ratepayers, in the near future, to discuss certain matters pertaining to the benefit of the town.

Rev. E. Pike of Alaska was a visitor in town today.

Miss Mabel Venus Hies, Dramatic Reader and Impersonator will give an entertainment in the Methodist church Oyen, on Tuesday, July 17th.

## R. M. of Acadia

### Minutes of Regular Meeting

Regular meeting of the Council of R. M. Acadia Valley Hall on Wednesday the 9th day of June.

Present Councillors Peers, Bohannon, Stubbington and Puley.

Councillor Peers was appointed Reeve for the balance of the year in place of R. Hill, resigned.

Petitions from E. J. Cleugh, Brincomb, E. L. Horn and A. Bently for roads in Division, No. 6 were referred to Con. Carry, for attention; roads petitioned for in Division No. 5 and No. 1 were referred to Councillors Bohannon and Mills. Ratepayers would save themselves considerable time and trouble and get quicker results if they would take up these matters with their Councillor, direct as each Councillor now has the authority to proceed with roadwork in his Division to the extent of \$650.00. The following is scale of wages set payable in cash the 31st of December next: laborers, \$3.25 teams \$3.25 Foremen, \$3.75.

The following accounts were paid:

H. Francis, seed wheat supplied to	
R. Davis	\$20.00
J. Cusack	2.00
B. Davidson, Returning Officer	
Fee	10.00
D. M. Graham, salary	25.00
A. G. Richardson	2.00

Just before the meeting closed closed Mr. J. A. McColl, M. L. A. came before the Council in the interest of the Patriotic Fund. Mr. McColl advised the Council that an act had been recently passed known as the Patriotic Tax Act which empowers the Councils to levy an annual rate for patriotic purposes, which he considered a far more equitable plan than the voluntary system as non-residents and speculators would then bear the cost equally with bonafide farmers. A meeting of representatives from all the municipalities in the constituency is to be held at Cereal, where a uniform rate will be set for this purpose.

Mr. McColl also touched on the question of roads and telephones.

The Council was advised that about \$150.00 of government money would be spent on roads in this municipality this year. In regard to telephones, one hundred and seventy five miles of line has already been authorized for the constituency and it will be proceeded with as soon as the government can procure the necessary material.

The Council then adjourned to meet the second Wednesday in July Acadia Valley hall, 1920.

## Marriages

### Gibson-Swainson

At Calgary on Monday, June 11th, Mr. Arthur Gibson of Oyen was united in marriage to Miss Elizabeth Ann Swainson of Benton. The ceremony was performed by the Rev. B. C. Paget, D.D., Dean of Calgary. The News join with their many friends in wishing them much happiness in their new sphere of life.

### Thoms-Harvie

At the house of Mr. J. Howard Alexander of Oyen on Saturday, June 23rd, Mr. Clarence John Thoms of Toronto was united in holy wedlock to Miss Ida May Harvie also of Toronto, by the Rev. S. D. Webster. The honeymoon is being spent at Sedalia.

All stores will be closed on July 2nd which is being celebrated as Dominion day.

## Give Your Wife One

Thousands of wives and daughters run their own Ford cars. They use them for shopping, calling, attending the theatre, taking the children for a run in the country or to school.

The Ford is as easy to operate as a kitchen range, no knowledge of mechanical details being necessary. Inexpensive to operate. A woman can call around town all afternoon, or take a 25-mile spin in the country, at the minimum of cost for gasoline, oil, wear on tires, etc.

You couldn't give "her" a present she would appreciate more than this beautiful, modern car, with its stream-line effect, tapered hood and crown fenders.
